

# Ashoka Europe Fellowship Program

The **co-learning** and **co-creation** community of Europe's leading changemakers.

**APPLY NOW!**

Deadline to apply is August, 24th

## Systems Change Module

Join this essential strategy course to **craft your own powerful systems change strategy** based on proven frameworks for scaling impact.

### WHAT IS THE COURSE OFFER?

The Systems Change course consists of 8 modules to craft your own systems change strategy. Each module contains videos explaining the main frameworks and how to apply them to the exercises of the workbook which together produce a complete strategy. After each module, we then meet in our course calls to discuss your exercise results, insights, and questions together with other change leaders from around the world.

### WHAT WILL YOU LEARN?

Join this course to develop a targeted system change strategy you can implement to scale your impact on the system – without necessarily having to grow your organization. Learn how to apply relevant frameworks to analyse your system with your teams and stakeholders in order to identify a range of actionable interventions to influence your system.

### MODULE TIMELINE
