

Ashoka Europe Fellowship Program

The *co-learning* and *co-creation* community of Ashoka's leading changemakers.

APPLY NOW!

Deadline to apply is September 30th

Co-Creation Lab

Join this practical lab **to build your co-creation case with social innovators and corporate intrapreneurs.**

WHAT IS THE LAB'S OFFER?

The Co- Creation Lab encompasses practical guided experience to learn about Ashoka's roadmap for co-creation and apply it to your context and organizations. You will work on your own co-creation case, building the foundations and skills needed to support it, while accessing tools, experts and peers. At the end of the Lab, you will present the co-creation case you built to Ashoka's network of social innovators and partners.

WHAT WILL YOU LEARN?

You will join a cohort of peers (intrapreneurs and social entrepreneurs) motivated to learn and discuss about the main barriers and opportunities of co-creation between business and social innovation to build your co-creation case around the topic your organization is focusing on. The Co-Creation Lab will give you the opportunity to work on the skillset needed for cross-sector co-creation with access to experts in co-creation and success cases.

MODULE TIMELINE

The Co- Creation Lab is organized in 4 modules, 3- 5 pm CET, every 3 weeks !

8/10 Session 1: What is co-creation and why is it relevant? Introduction to the co-creation roadmap - start mapping your role in the system
