

# Ashoka Europe Fellowship Program

The *co-learning* and *co-creation* community of Ashoka's leading changemakers.

**APPLY NOW!**

Deadline to apply is January 12th.

You should have completed the System Change module to participate in this module

## Measuring Systems Change and Mindset Shift

Join this online module to **learn the conceptual frameworks** and **how impact is happening- beyond our direct service**, as well as practical tools to **design the best suited impact model**

### WHAT IS THE MODULE OFFER?

This module is a response to the growing demand from social entrepreneurs, CSOs, companies, and young people to be able to better grasp the impact of their work with systems change and framework change lenses. It is created for helping those involved in social impact work to design specific metrics and frameworks to evaluate their impact in terms of changes in systems and collective mindset.

### WHAT WILL YOU LEARN?

This module seeks to help those involved in social impact work to design specific metrics and frameworks to evaluate their impact in terms of changes in systems and collective mindset. This module will provide conceptual frameworks, as well as practical tools to design the best suited impact model and choose the most relevant indicators to assess whether and how impact can be achieved beyond direct service.
