Changemaker Finance

Join the revamped edition of our Changemaker Finance Online Workshop to learn **how to navigate social finance approaches** in order to **unlock untapped sources of funding**

WHAT IS THE MODULE OFFER?

To scale up their impact, social entrepreneurs require access to affordable finance. They must learn how to navigate hybrid financing approaches in order to unlock untapped sources of funding. This module is about empowering social entrepreneurs to re-think and develop current and new funding strategies. We want to share with you all our best insights and learnings in creating blended financing strategies as well as investment offers that appeal to both commercial and social investors.

WHAT WILL YOU LEARN?

- Strategies to unlock untapped sources of funding
- Building a unique financing strategy
- The key metrics to present to Investors and funders
- Who funders are and how to find them?
